WE DISCOVER, WE GROW

Girlguiding

Scotland

Instructions:

The theme of World Thinking Day 2018 is impact so we want to find out how you make a difference! We want to know how you'll make a difference in 2018 so write your impact pledge in this frame then snap a photo.

Your pledge can be anything you want - from making a friend from a new part of the world to growing wildlife-friendly plants in your garden, helping someone at school or in your guiding unit or speaking out about an issue you care about.

Once you've written your impact pledge take a photo with your frame and share it with us on Twitter @GirlguidingScot using #WTD2018 and #ThisIsImpact
