

What can we do with £14?

The Girlguiding Scotland subs for 2019 will be £14. This contribution, in addition to the Girlguiding subs (£15.50 in 2019), goes towards the investment of Girlguiding Scotland's future.

Without subscriptions we couldn't support our incredible volunteers to empower girls and change their lives so thank you for continuing to support and believe in our work. So what can we do with £14?
