

# Guidance for guiding properties in Scotland

Below you will find a link to a new guide, to help with managing a guiding property. This resource aims to help with all aspects of running your guiding property; from health and safety and maintenance, to management committees and hiring agreements. It also contains templates and checklists that can be downloaded and amended to work for your property.

[You can download the guidance here](#)

If you have any questions about anything in this guidance or anything else property related, please get in touch with the Property Support Team on [property@girlguiding-scot.org.uk](mailto:property@girlguiding-scot.org.uk).
