

Transcript of Our plan video 6 – comments and actions

Welcome to this Ignite Hub video. Today, Reann will explain the comments and action section of Our Plan.

Finally, we have the section for comments and actions on recruitment, coloured yellow on the Our Plan spreadsheet. It has 4 columns. Is girl recruitment needed – yes, or no, what is the plan of action? And is volunteer recruitment needed – yes, or no, and the plan of action. This is empty, so you can fill it in with useful details or ideas to share with your team.

If you've identified a unit or a district who absolutely needs support to get more girls or more volunteers, here are some examples of what you could put in plan of action. Chat to your local supermarket community champion in Asda or Tesco, for example and run a volunteer recruitment stall on a Saturday. Email all waiting list parents and carers asking them to volunteer to help create more spaces for girls. Create some social media content and ask every volunteer, parent and carer to share it on social media or request a table at the next local market and run some fun activities to recruit more girls.

Thank you for joining us. We hope you enjoyed it. We would love to hear your thoughts. So please fill in the feedback form on the Ignite Hub web page.
