

Volunteer recruitment display kits

We've created a set of display kits to make raising awareness of volunteering opportunities a bit easier. There are 6 different kits available. Each is aimed at a different audience. We created the kits to fit a three-panel landscape display board but you can rearrange the contents to fit display boards of different sizes or use the materials on a wall. Each pack is made up of individual images and text panels that have been laminated.

Order process

Each kit is free to order and yours to keep. We just ask you to fill in an evaluation form after 3 months to help us understand whether the kits are helpful and should be continued.

We hope you'll order a kit and share some photos of it in use.

Order yours here: <https://www.surveymonkey.com/r/7F756QB>

How else can we support volunteer recruitment?

Our recruitment officers are available to help you plan and deliver volunteer recruitment events. Contact growth@girlguiding-scot.org.uk to chat about the support available.

Audience 1: Retired people

This display kit is aimed at the recruitment of retired people. They may find they have some more time, and lots of experience from their working or personal lives that they'd like to pass on.

Share your time

Could you give a few hours each week to help our team of friendly volunteers run a group for local girls?

Make a difference

95% of our volunteers say they feel that they're making a difference

Girls in guiding are **26% more confident** than the average Scottish young person

More than 100 girls are waiting to join a group in Anytown. By getting involved you'll help us offer spaces to girls who might otherwise miss out.

This display kit is aimed at the recruitment of students. It focuses on how volunteering can support people to gain transferrable skills that could also be useful in the workplace.
