17. We're keen to support girl-led guiding. How have girls shaped your request? (E.g. have they told you they want to go on a trip, take part in specific activities, or want particular equipment for the unit? If you're applying for running costs like rent or membership fees, have parents/carers indicated that they would struggle with costs if fees were to increase?) (Maximum 100 words)

Our young members have asked to do more adventurous activities and to go on trips. We do not currently have enough volunteers to comply with Girlguiding Scotland ratios outside the meeting place for all units, and so our girls are missing out on these experiences.

Good Guiding Fund Round 6 – Example application (recruitment activities)

Our division has 83 girls waiting to join, and more volunteers would help in welcoming them to guiding, potentially opening more units or being able to increase unit capacity.

18. If we are oversubscribed, we will prioritise levels that haven't had funding previously and those in financial need. Is there anything else you'd like us to take into account when considering your application? (Maximum 50 words)

We have not previously received funding. This funding will not only support our stall at QMU, but will support recruitment stalls for years to come by giving us a basic setup. This will help us in continuing to reach more young members and adults.

19. I understand that if funding is awarded, we will be required to submit an evaluation form by 31 January 2027 or the funding will need to be returned to Girlguiding Scotland.

I understand.
